Abstract The authors wish to point out and correct a typographical error which inadvertently crept in two of their research papers published in the Volume 37E, No. 2 (2018) issue of this Journal.

Dear Readers of this Journal,

After discussions between ourselves, we both the authors of the following two research papers:

1. Harpreet Kaur and B.P.Garg (2018). Acceleration motion of a single vertically falling non-spherical particle in incompressible non-Newtonian fluid by different methods, *Bull. Pure Appl. Sci. Sect. E Math. Stat.*, Vol. 37E, No. 2, 278–285. doi: 10.5958/2320-3226.2018.00029.2 (Available online at <https://www.bpasjournals.com/>.)
2. Harpreet Kaur and B.P.Garg (2018). High accuracy analysis for acceleration motion of vertically falling spherical particles in incompressible Newtonian fluid by variational iterations method, *Bull. Pure Appl. Sci. Sect. E Math. Stat.*, Vol. 37E, No. 2, 337–345. doi: 10.5958/2320-3226.2018.00036.X (Available online at <https://www.bpasjournals.com/>.)

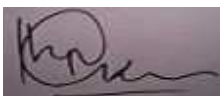

hereby wish to make the following **correction** in both these papers:

CORRECTION: “THAT THE WORD “**VARINATIONAL**”, APPEARING DUE TO AN INADVERTENT TYPING ERROR IN BOTH THE ABOVE STATED PAPERS AT ALL THE RELEVANT PLACES, BE PLEASE READ HENCEFORTH CORRECTLY AS “**VARIATIONAL**”.”

We deeply regret the inconvenience caused to the Readers of this Journal on account of this unintentional typographical error in our original manuscripts of the above stated two papers.

Thanks and Regards,

Yours Sincerely,

Harpreet Kaur (Corresponding Author)
